

Dear Lorain Preparatory High Parents, Students, and Community,

As Founding Principal of Lorain Preparatory High School, it is my honor to welcome our inaugural class of students into the 2022 – 2023 school year. We are excited to have students fill our halls and classrooms with energy and enthusiasm for learning. We are the Admirals, and these four traits define everything we do as part of the LPHS community.

- **Leadership**
- **Professionalism**
- **Honor**
- **Service**

Character, academics, and expectations are all driven by these principles that students will help define and take ownership of. LPHS is very student driven, we meet students where they are and help them exceed expectations as they work toward college and career readiness.

We hope that you will find our website helpful and informative. We are continually updating our website and social media to keep you informed of all the latest and greatest events and information at LPHS.

June 30th Roll Back to School at Lorain Skate World 5pm – 7pm

August 11th Back to School BBQ and open house at LPHS 4pm – 6pm

August 17th First day of school - breakfast starts at 7:20am

This is truly a privilege to be a part of something new and unique where we can bring the community together to build positive relationships that support academic and social development. I am thankful for this opportunity and look forward to what our young scholars will do. As we work through the year, please reach out with any questions you may have

Regards,

Michael Williston, Principal
